

<b>Job Title:</b> Mechanical Designer	<b>Functions:</b> Design/Drafting
<b>Term:</b> Permanent Full Time (40 Hrs/Week)	<b>Reporting To:</b> Husky Management Team

### **ABOUT HUSKY FARM EQUIPMENT LIMITED**

Husky manufactures a complete line of liquid waste handling equipment including pumps, spreaders, and drag hose reels. Since our founding in 1960 we have been committed to building a highly skilled group of individuals dedicated to supplying our customers with the best tools for their operation. Now in its third generation of ownership, Husky continues with the same focus on quality staff for the production of quality equipment. We've proven ourselves over the last 60 years and look forward to providing solutions for many years to come. We offer competitive wages and benefits. Join us as we build on our long history of manufacturing excellence!

### **WHAT YOU'LL DO**

The **Mechanical Designer** position is responsible for the development and maintenance of all drawings and associated information with regards to Husky parts and complete equipment.

Duties will include:

- Independently creating bills of materials and related drawings of all components related to the complete fabrication of liquid waste management equipment including developing new products as well as revising existing ones
- Working with customers to design custom equipment and meet specific requirements
- Assisting with customer support to resolve mechanical issues that arise
- Providing hands on design assistance to shop personnel as required
- Working with sales staff to assist in the creation of accurate project quoting

### **WHO WE'RE LOOKING FOR**

If you meet the requirements below, we'd love to chat with you about joining our team:

- 3+ years experience in mechanical design, preferably with farm equipment
- Familiar with CAD systems, especially Autodesk Inventor, Vault and AutoCAD
- Knowledge of Word, Excel and Outlook
- Able to work from the Husky Farm Equipment office in Alma, ON
- Motivated team player with excellent work ethic and a positive attitude

If you would like to apply or need more information please do not hesitate to contact us.
